

Perine Danforth Company, LLC

Quality is Key

How do you measure quality in your component supply chain?

The Perine Danforth “Total Quality Supplier” philosophy provides value to our customers with ultra low PPMs, reliability, and peace of mind.

- ◆ PPAP – Done right the first time!
- ◆ Material Certs – Whenever you need them...always on file.
- ◆ PQA - Product Qualification for Automation
- ◆ Lot Control - From around the world to your assembly line.
- ◆ Certified Supply Chain - ISO, QS, TS partners.
